

Dear Friends of Cycling,

Cyclists International are pleased to announce that they will be promoting the 2009 Australian Madison Championship & the Sid Patterson Grand Prix on February 28, 2009 at 7:00pm.

We have chosen this optimum date to continue our collaboration with the Promoters of the Bendigo Madison to engage Australia and the World's best Madison riders and present to Melbourne's cycling fans the opportunity to see them in action. (Bendigo dates are March 6-8)

The venue for these events will be the Joe Ciavola Velodrome (DISC), Darebin Rd. Thornbury due to Hisense Arena (formerly Vodafone) not being available.

Please find attached a pre-public sale ticket order form for your convenience, the prices on this form are discounted and the offer closes on Friday, January 16, 2009.

Reserved seating is limited, so please act promptly to ensure your seats, ticket orders will be allocated as they are received and Tickets will be posted out in early February, 2009.
